

Fly-In Meeting & Lunch for Regional EAA Chapters

Hosted by
EAA Chapter 1373

Saturday, October 5, 2024 (9:30 am – 1:30 pm)
Rob Duncan's Hangar at Crawford Airpark (99V)
3427 Stearman Lane Crawford, CO 81415

- Experimental Aircraft Association (EAA) Chapter 1373 (The X-Chapter) will host a Special Monthly Meeting together with regional EAA Chapters.
- Meeting starts at 10:00 followed by aircraft gawking/talking and lunch at 11:30.
 - Burgers, Hot Dogs, Braughts, Chips, Cookies and Soft Drinks provided.
 - Lunch donations graciously accepted.
- Rob Duncan's two gyrocopters, a 2023 SilverLight design American Ranger tandem named "Gypsy", and a 2000 Rotary Air Force side-by-side named "the Franken-gyro", will both be on display.
- Rod Smith's Bearhawk advanced-build will also be on display.
- Fly, Drive, Bike or Hike. Ample parking for Aircraft and Ground-based vehicles.
